Dear Judge Parker,

We have been notified that you are blocking SB 003 from going into effect pending your final decision on May 26.

We are requesting that you defend children and hold the line of innocence of children.

We are appalled that we have to put this request in writing to you. You were a child once and probably didn't have to deal with something so insane. We know we didn't.

Please protect our innocent children against such a foolish act that their young minds can't even comprehend.

We thank you for considering our request.

Respectfully,

Carolyn and Tom Williams
